Conditions of Serial Number Administration (SVB)

of

Conrad Electronic SE
Klaus-Conrad-Straße 1
92240 Hirschau, Germany
-hereinafter referred to as "Conrad"-

If products are delivered with serial numbers, please send us these as a text file structured as follows:

Technical structure:

The file begins with a header and ends with a footer.

The only text included in the header is SERIALNUMBER_START, and in the footer SERIALNUMBER_END.

The file contains a data set structured as follows for each serial number.

The length of the data set is variable. Tabs should be set as separators between the fields.

No.	Field name	Type	SAP reference	Description - characteristic
1	CE article number	CHAR	MATNR	Conrad article number
2	Serial number	CHAR	GERNR	Serial number
3	Supplier number	CHAR	LIFNR	Supplier's supplier number at Conrad (9.......)
4	Order number	CHAR	EBELN	CE order number for order (45........)

The file name is in the following format: SSSSSSSSSS_YYYYMMDDXX.TXT

SSSSSSSSSS. Supplier number at Conrad
YYYYMMDD: Date on which file was provided
XX: Serial no. if several files are provided in one day

Transmission:

The file can be sent as an email attachment.

On request, our IT department will convey the communication parameters.

Contact address:
